

Longest Night Service

Thursday, December 21
7:30 p.m. - Service
Niles Discovery Church
36600 Niles Blvd., Fremont

It's Christmas ... a time for joyful celebrations—or so we've been led to believe. But maybe this Christmas it's hard to feel up and happy.

Come hear the word of light and love that can drive away despair. *God is still speaking,*

If your life is too filled with worry, or grief, or loneliness, or if you just have “the holiday blues, stressed out” feeling, the *Longest Night Service* is a reminder that you don't **have** to feel happy this season.

Hear the Christmas message: despite the shadow of grief and death, there is hope.
