

Do Not Publish Form

On occasion, Niles Discovery Church (NDC) takes photographs or makes audio or videotape recording of children and/or adults involved in church activities. Such photographs, audio or video records may be used by staff and participants to remember the activities and the participants. In addition, such photographs and audio/visual recordings may be used on the church's website, Facebook page, an on other Internet sites, and in the church's newsletter, brochures, external publications, or advertising materials to let others know about our ministry.

Our policies say that if a parent/guardian does not want the photographs of his/her child used, the parent/guardian needs to complete this form and return it to the Senior Pastor.

I direct Niles Discovery Church not to publish any audio or visual record of the child(ren) named below, in any medium. I understand if I change my mind, I just do so in writing.
