Generation Wealth

Saturday, April 11, 1:30 p.m.

Niles Discovery Church, 36600 Niles Blvd, Fremont

A discussion will follow the screening.

With a revealing visual history of the growing obsession with money and excess, the documentary *Generation Wealth* explores how this country exports the values of materialism, celebrity culture, and social status around the globe. Through the film we travel the world, witnessing the global boom-and-bust economy and experiencing its complicated consequences.

Provoking serious reflection, *Generation Wealth* is not about the rich, but about the desire to be wealthy ... at any cost.
