## WINTER WORSHIP SERIES LOOKS AT SPIRITUAL SELF CARE

By Pastor Jeff

I recently noticed that many of the lectionary readings (readings assigned for Sundays on a three-year rotation) in January and February are about light. I wonder if that is because, in the Northern hemisphere, the days are getting longer and lighter, but there is still more night than day.

Darkness can affect us emotionally and spiritually. That's why I picked Spiritual Self Care as a theme for five Sundays, starting January 11. I hope you will find this worship series nurturing.

## CABINET FORWARDS "DECLARATION" TO CONGREGATION FOR ADOPTION

After two months of discussion, draft versions, and refinement, the Cabinet finalized, and is recommending to the congregation for adoption, a declaration titled, "Raising Our Voices in Protest and Witness." The declaration will be presented to the congregation for potential amendment and a vote on adopting it at the Financial Annual Meeting of the congregation on Sunday, February 1, 2026, that will immediately follows the worship service.

While the declaration will be printed in the Annual Financial Report, the Cabinet asked that it also be included in this edition of *The Bell* to give members a chance to review it ahead of time.

### **Raising Our Voices in Protest and Witness:**

A Niles Discovery Church Declaration  
Fremont, California

We, the people of Niles Discovery Church, will not remain silent. We are called by our humanity, by our faith, and by the God in whom we place our faith to raise our voices in protest and witness, proclaiming that our values stand in direct contrast to those of the current administration. We denounce as immoral the growing authoritarian forces within our government that are now ignoring the rule of law and imposing regressive and racist policies on American society.

We are followers of Jesus who take to heart the values presented in the Bible as we know it: Blessed and loved are the poor, the poor in spirit, the bereft, the meek, those who hunger for food or for righteousness, the merciful, the pure in heart, the peacemakers, and the persecuted. We cannot, therefore, be reserved in our witness to God's word, living as we do in a world that values wealth, profits from war, and persecutes dissent. Our calling is not to be silent but to be like a city built upon a hill, to be the salt of the earth, to be the light of the world.

Christians have sometimes failed as individuals and communally as churches and denominations, offering silence when protest and witness was needed, as in the failure to protest slavery, the genocide of Indigenous Americans, and the incarceration of Japanese Americans during World War II. We do not want to fail in this moment.

## RAISING OUR VOICES IN PROTEST AND WITNESS

We cannot, in good faith, abide a government that mistreats migrants or anyone else in need of shelter, nurture, and spiritual fellowship, or a president (or any other politician) who lies habitually or who attacks journalists, scholars, scientists, attorneys, and activists seeking to tell the truth.

Niles Discovery Church members and friends will not remain silent. We choose to help bring about God's joyful actions of peace, justice, hope, and love. We will support policies that are compassionate and ethical in their treatment of God's children and that care for God's creation responsibly. To honor our God and to serve the world, we believe we must do justice, love kindness and mercy, and walk humbly with God. We must stand in solidarity with our spiritual kin of every faith and no faith, especially those under threat, for we understand that everyone who does God's will is acceptable to God (Acts 10:34-35).

### **Appendix A:** Examples of blatant overreach of the current administration

- Militarized takeovers of American cities,
- Attempts to end constitutional guarantees to birthright and naturalized citizenship,
- Rollbacks of civil rights protections for women, ethnic minorities, and LGBTQ+ people,
- Terrorizing immigrant communities through kidnapping, imprisonment without due process, family separation, and deportation to facilities known to engage in deprivation and torture,
- Imperiling efforts to halt climate change, which threatens the health of all Creation and humanity, and is already ravaging the most vulnerable among us,
- Slashing science funding and halting progress on scientific research essential to solving pressing societal problems,
- Criminalizing protest (particularly protest of genocide in Gaza) and escalating attacks on the press and academic freedom,
- Gutting of essential government services, including those that feed the poor and provide healthcare for the uninsured, both at home and abroad,
- Executive overreach that undermines checks and balances, and dismantles democratic institutions.
- Ignoring International Law, as in attacking Venezuelan "drug boats" on the high seas.

### **Appendix B:** Examples of actions that support our traditions and beliefs

- To speak up as individuals and as a congregation, for we aspire to speak up for those who cannot speak for themselves (Proverbs 31:8-9).
- To support our pastors and preachers as they proclaim our values from the pulpit, and when they fail, to encourage them to speak up.
- To be unwavering in our support for immigrants, for we aspire to love the stranger (Leviticus 19:33-34).
- To help dismantle structural racism, for we aspire to obey the laws of God rather than human laws (Acts 5:29).
- To help weave our LGBTQ+ spiritual kin into the fabric of society, for we are all one in Jesus Christ (Galatians 3:28).
- To remember and learn not to repeat the ways in which our country has failed in righteousness and acted with cruelty.
- To stand in solidarity with our spiritual kin of every faith and no faith, especially those under threat, for we understand that everyone who does God's will is acceptable to God (Acts 10:34-35).
- To help preserve the Earth, with particular emphasis on the urgent need to address climate change, for we aspire to be responsible stewards and to care for creation (Genesis 2:15).

## NEWCOMERS INVITED TO “SOUP WITH THE PASTOR” ON JANUARY 18

People who are relatively new to the church and people who are considering becoming members of the church are especially invited to “Soup with the Pastor” on Sunday, January 18, in the fellowship hall following coffee hour. Sandy Thomas is going to cook soup that will be served sometime between 12:15 p.m. and 12:30 p.m. It is helpful to know how many Sandy should cook for, so please let Pastor Jeff know if you plan to attend. A free will offering (from those who can afford it) is received to help cover food expenses (\$5 suggested).

## “ASK A TRANS” TOWNHALL COMES TO CHURCH

Jenna Daugherty, a lifelong Fremont resident and passionate trans advocate, has worked hard to increase the understanding and appreciation of the humanity in all people, especially those on the gender identity spectrum. Her advocacy is the primary focus of the “Ask a Trans Townhall” on Saturday, January 10, at 6:00 p.m., in the sanctuary of Niles Discovery Church.

Homeschooled by fundamentalist Christians, Jenna left that religion behind while holding onto the proactive activism that her parents modeled for her. She applies this activism to her secular advocacy. Her knowledge of the Christian culture is also why she tries to humanize trans and nonbinary people within the Christian community. She hopes her efforts will help everyone gain a better understanding of the struggles faced by trans people. This is why she is holding the Townhall and hopes you will come with your questions.

The Townhall will begin with a brief presentation on Trans history and Jenna's Trans life experiences. The remaining time of the Townhall will be devoted to answering the questions that audience members bring. Jenna is presenting this “Ask A Trans Townhall,” because she thinks most people aren't vicious bullies obsessed with harming trans people. She feels that when people get to know a trans person, the world becomes a more accepting place.

While the survival of her people continues to be her number one focus, Jenna realizes that long-term safety won't come until the rights of all Americans are secured. She believes that aggressive but open-minded populism is what helps bridge the divide caused by our divisive partisan culture. She believes in the good of humanity and hopes to be one of the voices that can make Americans see how we have much more in common than what divides us. Please join in the conversation.

**Ask A Trans**

Join me for a Townhall where I speak about my journey of becoming trans. I'll also be taking your questions

## COMMUNITY BULLETIN BOARD

Members and friends of Niles Discovery Church are invited to submit short notices that may be of interest to the rest of the congregation. Note, no commercial notices or partisan political announcements are allowed. Niles Discovery Church makes no representations or endorsements about the events or services listed.

**LEAGUE OF WOMEN VOTERS:** On Saturday, January 3, from 10:00 a.m. to 11:30 a.m., at Niles Discovery Church. Watch an interview with Erwin Chemerinsky, constitutional scholar and Dean of Berkeley Law School, followed by an audience discussion. This video was produced by Commonwealth Club World Affairs in July 2025, just six months into the second Trump administration. In this program, which Chemerinsky titles, *The Playbook of a Dictator*, Chemerinsky points to the numerous lawless actions of the Trump administration, and why those with a deep respect for our democracy, should be on alert for what's to come.

# PRIDE PLACE OF BELONGING ICE CREAM LOVERS & WHITE ELEPHANT GIFT GIVERS UNITE WITH LGBTQIA+ COMMUNITY

By Cindy Sojourner

If you have a favorite ice cream or topping to share with the LGBTQIA+ and allies community, bring it to Pride Place of Belonging's annual White Elephant Gift Exchange and Ice Cream Social on Sunday, January 18, 5:00-6:00 p.m. Everyone is also encouraged to bring a white elephant gift that is worth between \$5-\$30 and is funny, useful, spectacular, re-gifted, queer-inspired, homemade, and/or not your style. Our monthly Pride Place of Belonging social events are designed for the enjoyment of the local queer community, our families, and allies. They are free and secular activities. No prior attendance is required or expected. Our social activities are mostly held in our Fellowship Hall.

Our Support Group for local LGBTQIA+ folk continues to be well attended and appreciated from 4:00 pm to 5:00 pm before the social activities, held every third Sunday of the month. Who doesn't need a place to share their wows, woes, and hows, these days, in a supportive community? It has become an inspiring place of belonging for queer people who come for the first time or nearly every time. Our open LGBTQIA+ Support Group meets in Room 3.

Pride Place of Belonging is also hosting a "Ask A Trans Townhall", which features Jenna Daughtery on Saturday, January 10, 6:00-7:30 p.m. We need to help more people gain a better understand our Trans neighbors and families. Please see the article on page 5 to learn more. Please add this event to your calendars. If there are any questions that you've wanted to ask or you are already an ally, this event is for you.

Our Thanksgiving Pie Potluck held in November was a delicious success with two new people in attendance, seven pie flavors, and a grand helping of most-memorable holiday stories. All of our social activities have drawn 6 to 21 people and someone new every time. Our third Sunday activities for the New Year include a Mardi Gras Pancake Dinner & Photo Booth, Queer Trivia Contest, an Earth Day Nature Treasure Hunt at the California Historic Park, and our Fremont Pride Fair Booth. Please share our activity info and encourage attendance. There are flyers available in the Fellowship Hall.

## JANUARY SPECIAL OFFERING: VOLUNTEERING FOR FOOD SECURITY

*Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver. – 2 Corinthians 9:7*

January's special offering is for the Tri-City Volunteers. Tri-City Volunteers runs the largest client-direct food bank in southern Alameda County. Each month, this agency provides emergency grocery assistance to almost 6,000 families and serves up to 16,000 individuals through their marketplace and bag lunch programs. Tri-City Volunteers began in 1970—started by Mary Hewitt and Grace Draper, members of our predecessor congregations. It has grown from the work of community members that believe in the need for food security in the Tri-City area.

give at any time. To donate, go to [nilesdiscoverychurch.org/give](https://nilesdiscoverychurch.org/give) and choose "Tri-City Volunteers" in the "Select Option" frame; or mail a check to the church. With so many possibilities for special giving, you may need to choose which ones are most important to you. To see the complete schedule of 2026 special offerings, please see the article above.

Many thanks to all that participated in our December Special Offering for the Homelessness Ministries of our church. At the press deadline, we had collected \$640. for this important ministry. Your faithful contributions are greatly appreciated.

As with all our special offerings, you are welcome to

### **THE BELL IS FIRST CLASS**

This edition of *The Bell* was graciously edited by Priscilla Taylor. If you received this issue of *The Bell* through the US Mail, then you received it first class mail. You can help reduce our costs (roughly \$2.00 per issue you receive in the mail) by receiving *The Bell* via email. Simply go to [BIT.LY/NDCEMAILSIGNUP](http://BIT.LY/NDCEMAILSIGNUP) and start filling out the forms. You can select what email lists you want to join – for the newsletter, the weekly prayer requests, the weekly announcements, and more. Then, please leave a phone message or email the church office (510-797-0895; [admin@nilesdiscoverychurch.org](mailto:admin@nilesdiscoverychurch.org)) so we can note in our database that you don't need *The Bell* via the US Mail any more.
